courses yet to be completed

Projects · Online Notes App

A simple note-taking web app that allows users to create, edit, and delete notes. It can include features like saving notes locally or syncing them with cloud storage.

· Recipe Finder

A website where users can search for recipes based on ingredients they have. It can fetch data from a recipe API and display instructions, ingredients, and cooking time.

· Blog Website

A platform where users can read, write, and comment on blog posts. It includes categories, a search function, and a user-friendly interface for publishing articles.

Internships:

· I have completed my Virtual internship certification on Web Design in DAL Electronics.

Certifications:

- Obtained Paid Online Certification in FullStack from Udemy 2024 (Certification copy will be provided upon request).
- Obtained Paid Online Certification in Python in one of the famous online education platform called TreeCodeCamp 2022.
- Done Paid Online Certification in PowerBi from Udemy 2024
- Done Free Online Certification in HTML and CSS from FreeCodeCamp 2020.
